

Anti-Idling

Poster Competition Open to all Middle School Students in Solano County

Idling refers to leaving a vehicle's engine running for more than 30 seconds while the vehicle is not in motion. Many engines idle everyday while dropping off or picking up students at schools. This has bad effects.

Idling

wastes fuel

causes air pollution

contributes
to asthma

Design a poster & tell parents why they should:

Turn the key & be idle-free!

What: Using the entry form online at www.solanosr2s.ca.gov or from your teacher, design a poster to convince parents to "Turn the key & be idle free."

Deadline: Monday, June 2, 2014

1st prize: iPad mini

Runners up: Gift certificates

Submit your entries by email to: solanosr2sinfo@sta-snci.com
or mail to: Safe Routes to School
One Harbor Center, Suite 130, Suisun City, CA 94585
