

Fall 2016 Travel Survey Request

September 28, 2016

Dear Principal,

The Safe Routes to School (SR2S) Program in Solano County began in 2008 in response to the growing childhood obesity epidemic, student travel safety concerns, increasing air pollution and traffic congestion near schools in Solano County. The Program works to simply encourage more students to walk and bike to school and be more active while making the areas around your school safer and easier to do so. All of our events and activities are FREE and available to schools in Solano County.

In an ongoing effort to evaluate our program, we are requesting each school conduct a simple hand tally survey form in each classroom to see how students get to and from school. As a token of our appreciation, all schools who return the completed surveys will receive a **\$50 Target gift card** to be raffled off to teachers who complete the classroom hand tally sheet attached.

Student Arrival and Departure Tally: Please ask each of your teachers to complete the attached survey for **two** days, during one week, excluding Mondays and Fridays. Choose a week from the options below. The survey should take approximately 3-5 minutes to conduct.

Oct. 11- 13 Oct. 18- 20 Oct. 25-27

Once completed, please collect these surveys and mail, fax or scan to my attention **by Friday, November 4th**. Electronic versions can be found online at www.solanoSR2S.ca.gov under Surveys in the *For Schools* tab.

If you have questions about the surveys, and/or are interested in some of our FREE services, please contact us at (707) 399-3222 or at: solanosr2sinfo@sta.ca.gov.

Thank you for your continued support of Safe Routes to School.
Sincerely,

Lloyd Nadal, MA
Program Administrator, Solano Safe Routes to School

1. School information page
2. October 2016 Safe Routes to School "Student Arrival and Departure Tally Sheet"

Tip: This survey can be conducted in one day by first asking students how they traveled to and from school *yesterday*. This will be Day 1 data. Then ask the students how they arrived today and will return home today. This will be the data for Day 2. **The one day survey must only be done on a Wednesday or Thursday of the week.**

All participating schools receive a \$50 gift card to Target to raffle off to teachers that complete the survey!

Your Kids. Your School. Your Community.

Safe Routes to School Arrival & Departure Tally Sheet: Fall 2016

School Name: _____

City: _____

Teacher Name: _____

Grade: _____

Instructions:

- To receive your \$50 gift card, please conduct this survey with your students on a Tues., Wed. or Thurs. for 2 consecutive days during one of these time periods: Oct. 11-13, Oct. 18-20 or Oct. 25-27.
- Ask your students **“How did you arrive at school today?”** Read through all of the answer choices below and define carpooling. Then read the answers a second time and ask your students to raise their hands. Each student may only answer once.
- Use the same procedure for **“How do you plan to leave for home after school?”** Then ask about students’ travel the day before or after.

Tip: This survey can be conducted in 1 day by first asking students how they traveled to and from school *yesterday*. This will be Day 1 data. Then ask the students how they arrived today and will return home today. This will be the data for Day 2. **The one day survey must only be done on a Wednesday or Thursday of the week.**

Total Students in Class (Typical): _____

Circle time period survey was conducted: Oct. 11-13 Oct. 18-20 Oct. 25-27	Weather (sunny, rainy, overcast)	Number of students in class when counted	Walk	Bike	School Bus	Family Vehicle (with brothers/sisters only)	Carpool (with children from other families)	Public Transit (city bus, train, etc.)	Other (skateboard, scooter, etc.)
Tuesday Before School									
Tuesday After School									
Wednesday Before School									
Wednesday After School									
Thursday Before School									
Thursday After School									

List any disruptions, scheduled activities or unusual travel conditions before or after school that may impact these counts:
